<p><b>Synopsis and Statement of Intent</b> Please attach a synopsis and statement of no more than 1500 words in total. This should detail the project you intend to work on during your residency (fiction, non fiction, poetry or dramatic prose). The statement should detail how and why the location will benefit your project, and how the residency itself will be of benefit to you. Please note that the intent of the residency is to provide space and time primarily for writing and location-specific research and not as a base for travel to do research further afield.</p>	
<p><b>Samples of Work</b> Please attach two samples of your work. These can be short stories, essays, novel extracts, drama or poetry. It is easier for the judges to review samples that demonstrate the necessary abilities in the genre – fiction, essays or poetry – that the applicant wishes to pursue. In other words, please send poems if you plan to write poetry while at the Residency. The total word count of both pieces combined should not be more than 2,500 words.</p>	
<p>References Please include two referees. They do not need to work in a literary capacity but need to know you well.</p>
